Comfort Where It Matters

InfernoCool
UNDERGUARD

💰 $23B+ thermal wearables market, growing at ~8% CAGR

🎯 Target early users:

- 🚶 commuters,
- 🛵 delivery riders,
- 👷 outdoor workers,
- 🎖️ military,
- 🩺 medical

📊 Estimated SOM in early phase: $9–11B

Commercial Launch

Our Solution

InfernoCool
UNDERGUARD

Smart, targeted climate control for the body's core

Three-layer modular garment: comfort, hygiene, integrated tech

App-controlled heating & cooling (iOS/Android)

USB rechargeable, antibacterial fabrics

Replaceable garment shells for hygiene & repeat purchases

How It Works

- ♨️ TEC thermoelectric module + 💨 heat sink/fan
- 📡 ESP32 microcontroller with 📶 Bluetooth control
- 🌡️ Safe temp ranges: Warm (34–39°C) / Cool (22–30°C)
- ⚠️ Auto-shutoff >45°C for safety

Stage & Vision

InfernoCool
UNDERGUARD

🚀 Stage: Concept & Design — Seeking Seed Capital for Prototype Development

- 📐 Completed product architecture & sourcing plan
- 🤝 Identified suppliers & assembly partners in South East Asia
- 📄 Provisional patent filing in progress
- 🔜 Next: Prototype Build Phase

Product Architect Vision of InfernoCool Underguard

Development Roadmap

InfernoCool
UNDERGUARD

Total Pre-Seed Ask: $300K USD

Phase 1 (0–6 mo)
Prototype Build — $150K

Phase 2 (6–9 mo):
Field Testing — $50K

Phase 3 (9–12 mo):
Manufacturing Prep — $100K

Competitive Advantage

InfernoCool
UNDERGUARD

- First-mover in intimate climate control wearables
- Modular design = longer lifecycle & repeat purchases
- App-driven personalization = Comfort-as-a-Service
- Safety-first design for CE/ISO compliance
- Founder-led execution with AI-enabled developmentz

Business Model

InfernoCool
UNDERGUARD

($99–149 USD)

One-time tech module purchase

($39–59 USD)

Repeat garment shell purchase

Future licensing in military, medical, logistics sectors

Go-to-Market Plan

InfernoCool
UNDERGUARD

Phase 1:
Cold trials (Yakutia, Scandinavia) & heat trials (Sahara, UAE)

Phase 2:
Showroom launches in 12 global cities

Phase 3:
E-commerce + retail partnerships

Team & Advisors

InfernoCool
UNDERGUARD

- 👤 Founder & Vision Steward: Brucely Christopher Edison
- 🤝 Right-hand Executor (to be hired): Technical build & prototyping
- 📋 Advisors: To be confirmed
- 🏭 Manufacturing Partner: South East Asia assembly hub.
